

WWII Homefront Partner Mind Map

Directions: Choose a partner or work by yourself to complete a mind map that shows the U.S. homefront during WWII. Each group will need to include at least the following in their mind map: Use 816-820 in the Pre-AP book to help.

- Militarized Economy
- Citizen sacrifice
- Role of Women
- Treatment of minorities
- Labor

The mind map should have drawings and or small phrases in a collage/mural type-setting with as few words as possible to illustrate the WWII homefront. On the backside of the mind map a detailed explanation should be given about what each drawing /phrase represents. Finally, each group will pick one aspect of the homefront and analyze how or why this helped or hindered the U.S. win the War.

Scoring Guide

5 (A)-Project clearly demonstrates students understand and can analyze the WWII Homefront at a high level.

4 (B)-Project demonstrates mastery of major concepts and indicates a basic level of Analysis of the Homefront

3(C)-Project demonstrates student master of major Homefront concepts but no analysis is given
